

Show up Lee and Bastrop Countians! STOP THE WATER GRAB!

For well over a year, landowners of Lee and Bastrop counties have been seeking a voice to stop water marketer, EndOp, L.P., from a raid on their groundwater. Finally, they will get a chance to state their case at the same time the Lost Pines Groundwater Conservation District deliberates on EndOp's permit application to pump 46,000 acre-feet-per year of Lee and Bastrop counties' groundwater.

COME WATCH THE LAWYERS BATTLE!

Let the Lost Pines District know you support them conserving our water!

WHEN: Wednesday, August 13, 7 pm

WHERE: Bastrop Convention Center, 1408 Chestnut
